

Amendments to the Claims: This listing of claims will replace all prior versions, and listings, of claims in the application

Listing of Claims:

1. (Previously Presented) A graft, comprising:
a tubular member;
a sealing member connected to said tubular member and being configured to surround said tubular member; and
a biasing member connected to said sealing member.
2. (Previously Presented) The improved endovascular graft of claim 1, wherein said sealing member has a frustoconical profile.
3. (Previously Presented) The graft of claim 2, wherein said biasing member is configured to provide said sealing member with said frustoconical profile.
4. (Previously Presented) The graft of claim 3, said biasing member further comprising a generally undulating frame.
5. (Withdrawn) The graft of claim 1, wherein said sealing member is disc-shaped.
6. (Withdrawn) The graft of claim 5, said biasing member further comprising a generally undulating wire frame.
7. (Withdrawn) The graft of claim 5, said biasing member further comprising a wire hoop.
